

HP Latex Buzz Challenge

3 June 2025 – 30 January 2026

Frequently Asked Questions

1. What is the HP Latex Buzz Challenge?

The HP Latex Buzz Challenge is a social media initiative created for the HP team to be in the spotlight and build their voice as HP Latex ambassadors. Participants are encouraged to share HP Latex-related content on their social media platforms, earn points, and compete for exciting prizes.

2. How long does the challenge run?

The HP Latex Buzz Challenge will run from 3 June 2025 – 30 January 2026.

3. Who can participate?

The challenge is open to Greater Asia and India HP Large Format Production team (excluding Japan).

4. How do I participate in the challenge?

To participate in the challenge, simply follow three steps:

Step 1: Share HP Latex Content

Post HP Latex-related content on your social media accounts—LinkedIn, Instagram, and/or Facebook. Ensure your posts are set to public so they can be tracked for scoring.

Step 2: Use the correct hashtags

Participants must include the following hashtags in their captions to ensure the posts qualify:

#HPLatexBuzzChallenge #HPLatexTeam, for original post #HPLatexBonus to earn extra points.

Step 3: Post more to score more and win

Climb the leaderboard by posting more. The more HP Latex content you post, the more points you earn—boosting your chances to rise to the top and win exciting prizes.

5. What does the original post mean?

An original post means the post is created entirely by the participant and only relevant to HP Latex, including both the visual and caption.

6. What is the difference between Original, Localised and Adaption posts?

Original post is a unique post created by the participant with a personalised caption and self-created visual. Localised content means using HP's assets, translated or tailored for the local market. Adaptation means making minor edits to existing HP assets with minimal changes.

7. Where can I find HP Latex assets?

All HP assets including visuals and suggested captions can be found here: [HP DAM: Collection Contents](#)

8. Can I submit the same post across multiple platforms?

Yes, you can publish the same post on LinkedIn, Facebook, and Instagram.

9. Am I still eligible to participate if I do not have any social media accounts?

No. Participation requires you to have a social media account on Instagram, Facebook, and/or LinkedIn.

To qualify, all posts must be:

- Published on your social media platforms
- Set to public
- Include the required challenge hashtags

If you do not currently have a social media presence, this is a great opportunity to consider creating one now!
